Important information

This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.

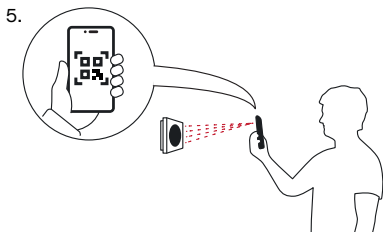

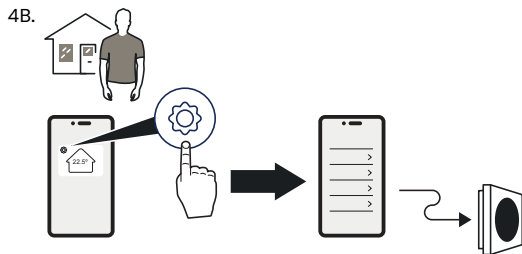

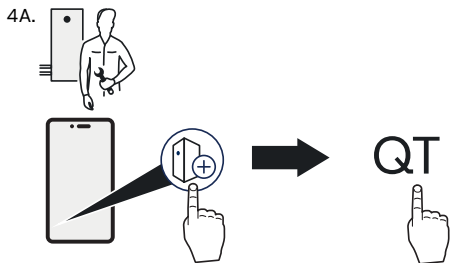

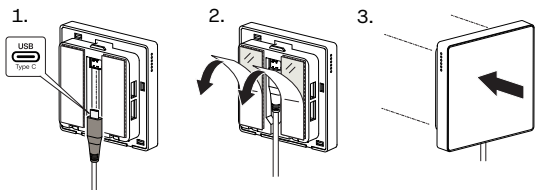

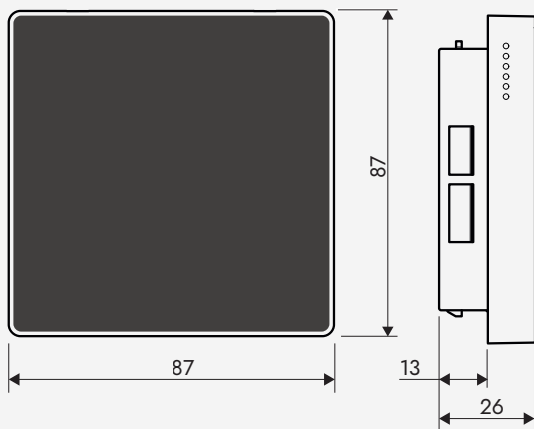

At the end of the electrical products useful life, it must not be disposed of with household waste.

Recycle at waste facility. Check with your local authority or retailer for local recycling regulations.

The following network interfaces can be exposed to the internet:

- Cloud connection (AWS IoT Hub) over Wi-Fi
- Bluetooth

Technical Data		
Rated voltage		5 VDC 250 mA
Connection type, power supply ¹		USB-C
Enclosure class	dBm	IP20
WLAN, 2.412 – 2.472 GHz max power	dBm	15.46
Bluetooth, 2.402 – 2.480 GHz max power		3.02
Operation mode EN60730		TBD
Weight	g	132
W x D x H	mm	87 × 26 × 87
Part no.		1011304

1. Cable not supplied.
